SDA ST. LOUIS CHAPTER MEETING

Roundtable Discussions

Wednesday, September 23, 2009

Join one of three separate roundtable discussions to delve into relevant topics that directly impact your work life. Participants at each roundtable will talk about issues that are submitted by the participants and will be moderated by a chapter member who specializes in those issues at their workplace.

Human Resources, moderated by Cindy Petzoldt

Office Administration, moderated by Kim Hughes

Project Administration, moderated by Kathy Morsch

This month's meeting will again be free, with each member bringing their own brown bag lunch. Drinks (water, iced tea, soda) and dessert (brownies) will be provided.

When you send your RSVP, please indicate which roundtable you will be joining, and also please submit any specific topics that you would like to discuss. Each moderator will have a few topics in mind, but the intention is to make these discussions as relevant to each member as possible. Your suggestions will ensure that your table addresses the issues that especially interest you, and submitting them with your RSVP will allow the moderator to be prepared. If you prefer, send your suggestions directly to the appropriate moderator.
